Professional Summary

Results-driven Full Stack Developer with experience in developing scalable web applications, REST APIs, frontend interfaces, and cloud automation solutions. Proficient in backend development using Python, PHP (Laravel), and Node.js, along with frontend technologies such as Bootstrap, JavaScript, HTML, and CSS. Experienced with AWS services, Jenkins CI/CD, database optimization, and AI-assisted development workflows.

Technical Skills

- Programming: Python, PHP, JavaScript, C#, HTML5, CSS3
- Frontend: Bootstrap, Responsive UI, JavaScript
- Backend: Laravel, Node.js, REST APIs
- Cloud & DevOps: AWS Lambda, AWS RDS, AWS S3, Jenkins, Git, SVN
- Database: MySQL, Microsoft SQL Server
- Developer Tools: Kiro AI, VS Code, Visual Studio

Experience

ControlCase — Engineer | Apr 2025 – Present

- Develop scalable backend systems and APIs using Laravel, Python, and Node.js.
- Build responsive frontend modules using Bootstrap, HTML, CSS, and JavaScript.
- Implement AWS Lambda workflows, automation scripts, and cloud integrations.
- Manage deployments and CI/CD support using Jenkins.
- Optimize database queries and improve application performance.

ControlCase — Junior Engineer | Jan 2023 – Apr 2025

- Worked on enterprise applications and backend automation solutions.
- Developed reporting dashboards and API integrations.
- Enhanced frontend usability and backend efficiency.

SoftTact Technologies — Software Developer | Jun 2021 – Apr 2022

- Developed healthcare software modules using C# and ASP.NET.
- Integrated lab machines with applications using SQL-based integrations.
- Automated report generation and backend operations.

Projects

- BizOps Automation – Automated business workflows using Python, AWS Lambda, and ConnectWise APIs.
- Vulnerability Management Dashboard – Developed backend processing and frontend dashboards for security reporting.
- CSS Module Sync – Built synchronization workflows and interactive frontend modules.

Education

- B.Sc. Information Technology – M.L. Dahanukar College of Commerce | CGPA: 7.57
- HSC (Science) – Bhavans College
- SSC – Asmita JAMV
